

Four Muddy Paws Delivery Policy

Four Muddy Paws offers FREE delivery within a FIVE mile Radius of our stores. If you are located outside that Five mile radius we will deliver for a small fee.

All orders must be placed before noon to receive that same day or they will be delivered the following day.

Please specify in your order where the products should be placed if no one is available to accept them. You accept all responsibility of the products left in that location after delivery. We will notify you of the delivery.

All orders containing raw frozen products must have a cooler with ice provided by the customer at the place of delivery if no one will be there to accept it. If a cooler with ice is not provided, we will re-schedule your delivery for a small fee.

Please print this form, sign and date to allow for deliveries. You can leave it for the delivery person to pick up or drop it by our store.
